WordPress Developer | WooCommerce Expert | Frontend Developer

PROFILE

Results-driven WordPress Developer with 1.5+ years of hands-on experience building fast, responsive, and SEO-friendly websites for businesses and individual clients. Skilled in WooCommerce store development, Elementor Pro, custom theme and plugin customization, and website performance optimization. Proven ability to translate design concepts into pixel-perfect, cross-browser-compatible frontends using HTML5, CSS3, and Bootstrap 5. Committed to writing clean code and delivering an exceptional user experience on every project.

EXPERIENCE

WordPress Developer

Innovatek Solution

2025 — Present

- Developed custom WordPress websites tailored to client requirements and brand identity
- Built, configured, and managed WooCommerce online stores from setup to launch
- Designed responsive, pixel-perfect pages using Elementor Pro
- Maintained and optimized live client websites, improving speed and performance
- Diagnosed and resolved bugs, ensuring seamless cross-browser compatibility
- Delivered mobile-first, SEO-friendly websites using HTML, CSS, and Bootstrap

Freelance WordPress Developer

Self-Employed

2024 — Present

- Designed and developed custom websites for a diverse portfolio of clients
- Built WooCommerce eCommerce stores optimized for usability and conversions
- Customized WordPress themes and plugins to match unique client needs
- Performed ongoing website maintenance, security updates, and performance tuning
